

**FROM DELTA COUNTY EMERGENCY MANAGEMENT COORDINATOR – TANNER
CRUTCHER
Delta County Resident Tests Positive for COVID-19**

For Immediate Release:

April 7, 2020, 3:00 PM, CST

The Delta County Office of Emergency Management was informed by the Texas Department of State Health Services (DSHS) earlier afternoon that a resident of Delta County has tested positive for COVID-19. The DSHS is taking all necessary actions in response to this matter and will be handling this case moving forward. As of today, more than 161 other counties in Texas have positive cases of COVID-19. Due to HIPPA laws, no additional information is available for release at this time.

Please continue to adhere to the recommendations of the CDC, Governor Abbott's Executive Order GA-14, and the social distancing recommendations of the federal government.
