

Delta County residents,

For your situational awareness, the Delta County Emergency Operations Center (EOC) is operational. TxDOT is actively pre-treating bridges and areas prone to ice accumulations. The City of Cooper and Delta County Road & Bridge crews remain ready to respond to roadway issues and concerns. Public Safety remains ready to respond to weather-related issues. Electric providers have upstaffed resources in the area to respond to any reported outages that may occur and remain in contact with the EOC to respond to local outages.

The City of Cooper City Hall and the Delta County Courthouse will remain closed tomorrow due to the inclement weather conditions, as well as both Cooper ISD and Fannindel ISD campuses.

Please remain off the roadways unless absolutely necessary and take appropriate precautions to protect your homes, pets, and plumbing, as well as checking on your neighbors to ensure their safety."
