Greetings Residents,

On October 28, 2021 the Texas Transportation Commission approved funding for the Transportation Alternatives Set-Aside Sidewalk Project (TA Set-Aside) for the City of Cooper. The total cost for this project is \$567,922.00 of which, \$454,338.00 will be federally funded and \$113,584 will be locally funded. Cooper ISD has agreed to pay the local cost of this project. We have included a map showing the general location of the project. Project design is anticipated to start in 2022 and construction in 2023. We will keep you posted as we learn more about this project as it moves forward.

Please feel free to call or stop by City Hall if you have any questions.

Respectfully,

Darren Braddy, Mayor
