

Notice From City of Cooper

We have had many calls regarding garbage pick-up. Sanitation Solutions has been picking up loose trash but they will no longer do this. It does not have to be in a container but it must be in a bag, even if it is in a container, it must be bagged. Please contact City Hall if you have any questions

Garbage Pick UP Regulations:

1. 7 Bag Limit
2. Must be in a bag-no loose trash will be picked up
3. Must not weigh over 50 lbs.
4. Needs to be set to the curb by 6:00 AM (schedules vary)
