

NOTICE OF PUBLIC HEARING ON TAX INCREASE

A tax rate of \$.865245 per \$100 valuation has been proposed by the governing body of
City of Cooper

PROPOSED TAX RATE	\$ <u>.865245</u>	per \$100
NO-NEW-REVENUE TAX RATE	\$ <u>.838196</u>	per \$100
VOTER-APPROVAL TAX RATE	\$ <u>.865246</u>	per \$100

The no-new-revenue tax rate is the tax rate for the 2021 tax year that will raise the same amount of property tax revenue for City of Cooper from the same properties in both the 2020 tax year and the 2021 tax year.

The voter-approval rate is the highest tax rate that City of Cooper may adopt without holding an election to seek voter approval of the rate.

The proposed tax rate is greater than the no-new-revenue tax rate. This means that City of Cooper is proposing to increase property taxes for the 2021 tax year.

A PUBLIC HEARING ON THE PROPOSED TAX RATE WILL BE HELD ON 09/09/21, 09/13/21, and 09-16-21
at City Hall, 91 N Side Square @ 5:00 PM

The proposed tax rate is not greater than the voter-approval tax rate. As a result, City of Cooper is not required to hold an election at which voters may accept or reject the proposed tax rate. However, you may express your support for or opposition to the proposed tax rate by contacting the members of the City Council of City of Cooper at their offices or by attending the public hearing mentioned above.

YOUR TAXES OWED UNDER ANY OF THE TAX RATES MENTIONED ABOVE CAN BE CALCULATED AS FOLLOWS:

$$\text{Property tax amount} = (\text{tax rate}) \times (\text{taxable value of your property}) / 100$$
